

8.5"

THE TOUGHEST WIRE RAKE MADE

Gardex **COMMERCIAL PERFECT**[®]

SHRUB & CULTI RAKE

For Commercial, Industrial and Professional Users

Model # 11010

Made in USA 

Unlike the others, this stiffer tine shrub rake will not give up. Used by many Botanical Garden Horticulturists.

Flexible enough to rake and spread mulch in narrow openings between plants and shrubs.

Rigid enough to cultivate and weed loose soil around and between flower and vegetable plants.

This rake will boost your "PRO" sales because it is NOT SOLD AT BIG BOX RETAILERS!

Specifications:

- 10 tough, 13 Ga. oil tempered 12" long, round wire tines
- 16 Ga. steel bracing frame
- Full-size 15/16" diameter x 48" lacquered wood handle
- Rake head secures with double "bolt-thru" assembly

Case Pack: 12 ea. K.D.

Pack Weight: 18 lbs.

UPC: 0-33733-11010-4
